SPA/Cir-2025-26/01

March 15, 2025.

Respected parents/guardians/well-wishers,

Prayerful Greetings!

Today, we live in a world of science & technology on the one side and the world that longs for hope on the other side. In the field of science and technology, Artificial Intelligence is the latest invention that is going to rule the world in the coming years. The other side of the reality is that a particular section of our society is still struggling for their survival due to non-availability of the basic needs in their life, at the same time they live with hope. Yes, we are the people of hope and God is our Strength and the Eternal Hope. With this thought in our mind and with a grateful heart, we bid good-bye to the memorable academic year 2024-25. It was indeed a grace-filled year. God has been good and gracious. We have experienced God's unconditional love and blessings through our loving children, cooperative parents, dedicated staff, well-wishers and the school management. I am delighted to place on record that our educational institution St. Peter's Academy has been a beacon of light and hope to thousands of innocent minds and hearts for decades.

I am hereby pleased to share with you some of the blessings that our children received in the Academic Year 2024-2025 through various events and activities.

Report of the Academic excellence 2023-2024: Like previous years, this year also our students brought laurels by excelling in class X and XII Board final examinations. In class X the highest percentage was 99.4% and in class XII the highest percentage was 93.8%. Harshit Kakkar of class X was the District Topper too.

Apart from the Board exams, our students performed extremely well in various national competitive exams. Although the school is well-known for its academic excellence, yet we provided sufficient space for our children in the field of Sports and Games. Children in return showcased their talents in the said field with outstanding achievements and accolades at various levels and categories. NCC Cadets are another feather in the cap of St. Peter's Academy. I am honoured to mention here the contribution that our ex-students are making in our society through Indian Army, Navy and Airforce, Medical, Legal, Educational, Information & Technology, Artificial Intelligence, Political, Trade & Business, United Nation's Body and many other fields.

Co-curricular Activities: Through co-curricular activities children build up life-skills and leadership qualities. Our school provides platform for our students to engage in co-curricular activities, because these activities enhance students' overall development. Our students participated and won various prizes and awards in Debate Competition held at Modern Senior Secondary School & Poem recitation. In sports and games our students brought laurels by winning international, national, state and district-level competitions under different categories. Our school took a keen interest in swachh bharat abhiyan, beti bachavo beti padavo and presented a meaningful skit against nasha and other harmful drugs. Our students and staff took part in tree plantation drive and we planted hundreds of saplings to protect the mother earth.

Out-Reach Programme: The school also organized various outreach programmes for the holistic development of the students and also to sensitize them towards their duties and responsibilities within the society and community. Accordingly, the students visited old age homes to know the reality of life and situation of elderly citizens with a pledge '**we will take care of our elderly parents and grandparents.**' The students displayed public awareness rallies, street plays besides serving community langar at Rajindra Government Hospital/ Kali Mata Mandir and at school during the feast of the Blessed Mother Mary.

Educational Tours: Educational tours were organized by the school to give exposure to the students and broaden their outlook of our great nation. Our students went to Rajasthan, Manali, Chokidhani, Science City, Kidzania and Anandpur Sahib.

As we board the flight of transition and get ready to transcend into a new dimension of progress through quality and holistic education, it is time to raise our minds and hearts to God and thank him once again for his bounties. With faith in God's providence and protection, charity in our deeds, unwavering hope and your timely support, let's begin the new academic year 2025-26.

Respected Parents/guardians, please take note of the following for the new academic session 2025-26.

01. Results declared at the end of the year will be final in all respect. No answer scripts will be shown.
02. Final Results of the students will be given to Parents or registered guardians only. The Parent Teacher Meeting for all students of Classes I to IX & XI will be on Friday, 28 March, 2025 between 7.45 a.m. to 09.30 a.m.
03. Parents who would want to withdraw their ward(s) from school should intimate the principal before the 25 March, 2025 failing which the name(s) will be carried forward to the next academic session and full fee will be charged for the month of April.
04. The new Academic Session will commence from Saturday, 5 April, 2025 for all the classes including Kindergarten Classes. It is mandatory for all the students to be present on the first day of the new Academic Session. Absentees on the first day without prior permission will find their names struck off the school rolls.

School Timings:

Kindergarten Classes:

Summer: From 08.30 a.m. to 12.30 p.m. (Monday to Friday) & From 08.30 a.m. to 11.30 a.m. (Saturday)

Winter: From 09.30 a.m. to 01.30 p.m. (Monday to Friday) & From 09.30 a.m. to 12.30 p.m. (Saturday)

Classes I to X:

Summer: From 07.25 a.m. to 01.40 p.m. (Monday to Friday) & From 07.25 a.m. to 12.40 p.m. (Saturday)

Winter: From 08.25 a.m. to 02.30 pm (Monday to Friday) & From 08.25 a.m. to 01.40 p.m. (Saturday)

Classes XI and XII:

Summer: From 07.25 a.m. to 11.15 a.m.

Winter: From 08.25 a.m. to 12.05 p.m.

- I request the parents to kindly abide by the school timings mentioned above and ensure that your ward(s) is/are punctual and regular to the school. Keeping in mind the safety and smooth running of the school, the school gates will be closed at 7.25 a.m. in summer & 8.25 in winter. Only in case of any unforeseen situation or emergency, parents/registered guardians need to inform the school authority and get the necessary permission for your ward/s coming late to the school or getting leave sanctioned.
- Parents are requested to read the rules and regulations mentioned in the school diary. **Every pupil must possess a copy of the school diary which should be brought to the school every day.** Apart from legibly entering the name and other personal data, pupil should not enter in it anything except what relates to school work. **Parents are requested to follow the communication done through E-Care portal.**
- As you are aware of the rising demands of the contemporary age and increasing cost of things, we have to increase the salaries of our teachers and other necessary infrastructure; hence, there will be a marginal increase in fee as per the Fee Regulatory Act. We request you to kindly cooperate.
- Students should be ready with their set of books, notebooks/stationery on the reopening day of the school and the books are covered neatly and labelled.
- For the convenience of parents, we have displayed the books list on the Students' E-Care panel and the school website. It is also displayed on the school notice board. The school uniform pictures are also displayed on school website.
- The School Management is pleased to share with you the good news that we will be starting self-defence training classes for our girls from the Academic Session **2025-2026**.

May God bless and keep your families safe and healthy always.

Collins
